Art Camp

Jr. and High School Students

Black & White and 2 Colors OR Graffiti Camp

BLACK & WHITE: Our 5th year exploring, mixing and applying shades of gray. (This is a wonderful skill to work on in painting and can be applied in other art mediums.)

We will learn to paint, mix color, prepare a canvas, learn how to professionally fit a painting for hanging, draw and critique. At the end of the week your artist will bring home a wonderful painting ready to hang.

GRAFFITI: NEW... this year students can have the opportunity to explore font and color on a large scale... students have the choice to apply black & white/2 colors OR completely go off into color combos that reflect the students personality.

...for curiosity sake, New Hampshire state laws about graffiti will be reviewed. 😊

Currier Museum of Art

On Wednesday we will be spending the afternoon at the Currier Museum of Art in Manchester. Of course, we will be visiting the gift store as well as eating lunch, so come prepared with a little extra spending money. Field trip details with permission slip will be handed out well in advance.

ALL MATERIALS ARE INCLUDED in the \$325 tuition fee.
